

## GENERAL INFORMATION FOR SPARKLERS

### BEFORE THE SESSION

- Please complete an online registration form.

### DURING THE SESSION

- Your child's safety; the way he/she relates and plays with other children, are your responsibility. So, if he/she is about to throw a brick – please intervene!
- Please look after, and encourage your children to look after the centre, the equipment and each other.
- Please encourage your children to join in where appropriate.
- Please do not leave your child unattended for any reason.
- There will be a snack time during the session but please **bring your own drink and snack**.
- During any warm weather we WILL have water play. A change of clothes will be very useful, should they wish to join in!
- We are asking for a voluntary donation at this time of £1 to help cover the cost of hire. No change can be given at this time.
- Mobile phones should not be used.

### WEATHER

- Please note we are currently running Sparklers as an outside session so please ensure you and your child/children are dressed appropriately for the weather.
- We anticipate running the group in any weather, however if we decide it is unsafe at any time, we will have to cancel the session and send everyone home.
- We will inform you via the contact details you have provided on the registration form should the session be cancelled at short notice.
